## Overview

---

This particular Jeanneau 42DS is the cleanest, least used 42DS on the market. The galley and staterooms have not been used. Engine hours are less than 100. Excellent electronics, electric winches, very nice canvas, and ready to go for spring. All winter storage costs are paid and we will include spring commissioning and launch if purchased before Jan. 31, 2012

Yacht Sales Professionals committed to "Excellence with Integrity".

I sold this beautiful Jeanneau 42 DS new and am selling again since the owner wants to down size to a day sailor that more fits his use. Hence, this 42DS has the low hours and mint condition of new.
