## Remarks

---

This 68 Predator is very special. She is one of a kind with many unique upgrades and features. She was custom built by the Sunseeker factory for a very demanding and knowledgeable buyer. He spent weeks at the factory to watch over the construction and assembly. She features special hull and deck coloration. Custom interior upgrades and many mechanical innovations and engine room upgrades not found on any other Sunseeker. She has been meticulously maintained and recently had all new ultra quiet airconditioning installed as well as new fabrics on all outside seating. A new large tender with a 40 hp Yamaha has just been purchased (only 10 hrs!) and is stored in the garage. This is a very special boat looking for a very special buyer. She needs nothing.
