## Overview

---

This 65 Marquis has been kept in freshwater and undercover most of it's life. She is CE Class A Certified. She is a 1 owner vessel that has lived the good life. She has tasted salted, but didn't stay long enough to do anything but wet the owner's appetite! She has the four stateroom layout, with skylounge in lieu of the lower helm. She is a CAT powered, which makes service a much more palatable event! Some of her options include teak cockpit, upgraded entertainment, twin generators, custom bar, capstans, crew quarters, teak cockpit table, light wood interior, hydraulic swim platform... Call today to make an appointment!

## Accommodations

---

All four staterooms are accessed via the starboard side companion way stairs that slightly curve from outboard starboard the centerline of the vessel. At the base of stairway/landing is a solid surface lit flooring accent that adds an elegant touch to the companionway.

The landing provides access to the forward/VIP stateroom, the day head, the port stateroom which houses side-by-side twin berths, as well as the foyer/walk through to the master stateroom and stbd side bunk room.

The VIP is forward with a private head and shower, as well as port and starboard side cedar lined hanging closets with double mirrored doors . A 15" Sole TV is recessed in the aft port bulkehead of this stateroom. Nine overhead lights, controlled by a reostat, provide an abundance of light for this stateroom in addition to a skylight (with emergency escape ladder). Below the queen sized mattress is a small storage locker, below the bed is pull out drawer. There are 3 storage lockers on both the port and starboard outboard side of this stateroom. Overhead are two Clarion speakers for your listening pleasure. An in room thermastat controls this rooms temperature. The ensuite head offers solid surface countertops and tile flooring, a large shower, Techma head, and storage closet behind the head door. There are port hole windows on both the port and starboard sides of the stateroom.

The port side stateroom has side-by-side twin berths as well as a full size hanging locker. There are 6 overhead lights and two Clarion speakers. There is a non-opening port light on the outboard port side of the stateroom. There is a storage drawer between the beds below the built bed side table. There is overhead storage above the inboard berth as well large lockers below the mattresses. There is a 12" Sole TV, a Clarion dvd player and a Clarion CD/AM/FM stereo recessed into the fwd port corner of the stateroom. Located in the most forward portion of this stateroom is a private door to the day head. The day head sports a solid surface countertop, tile floor, Techma head, and a shower with built in bench seat. Above the head is a towel and linen storage cabinet.

The starboard bunk room has over/under beds thanks to a well designed pullman berth. There is nice floorspace in this bunk room. There are two drawers below the bottom bunk. There are three built in drawers and storage cubby are located to the forward inboard side of the bunks. There is a 12" Sole flat panel TV, a Clarion DVD player and a Clarion AM/FM CD player with two overhead clarion speakers. outboard is a non-opening port hole

The master stateroom is located midship. The head of the KING SIZE bed is to port.

Above the head of the master bed are three rectangular hull side windows. Bedside tables with storage cabinet below are found on both sides of the bed. The aft side bedside table has a built in safe. There are two rectangular hull side windows to port. The design in the overhead accent is a excellent blend of wood, mirror, Vynil, and lighting to true Marquis feature. On the port side of the master stateroom is a large vanity with eight drawers for his and her storage. There is a 32" Sole TV built into the aft port corner of the stateroom. The Clarion DVD player and a Clarion CD/AM/FM stereo are housed in the cabinet below the center niche. The niche has a solid surface counter top, solid surface flooring and vynil panels that are accented by recessed lighting.

The master head is accesssed via a door in the aft port corner of the stateroom. It is outfitted with his and her sinks and storage below, a Techma head, three storage lockers, vanity mirror lighting, an outboard opening port window, and large tub- shower combo. The master closet is accessed via the door in the aft starboard corner of the stateroom. It is a walk-in closet and contains a Malber washer and dryer. This closet has an opening window, two storage lockers, and two hanging rods.

## Galley / Bar / Skylounge

---

Moving from the salon forward to the midship area of the maindeck to port is the galley. This is a very functional galley this is well incorporated into the flow of the boat. It has a full range of appliances. All of the galley appliances are full size with the exception of the dishwasher. The galley sole is a solid surface/stone that matches the countertops. Overhead lighting is ample and storage can be found just about everywhere there is not an appliance.

Across from the galley on the starboard side is a bar with a solid surface countertop. The bar houses an 18 bottle Avanti wine cooler. There are two storage lockers with clear double doors. One has dedicated bottle storage the other dedicated stemware storage. Below these lockers are oversized sliding doors. Just aft of the bar are the beautiful Marquis steps that lead to the bridge. Windows line the wall behind the bar and the lower windows have a curtain that can be rolled down for privacy.

Just forward of the galley and offset slightly to the port side is skylounge. This area sports huge windows that bring the outside in. A large table that could seat as many as 8 guests is accented by a curved built in settee. There are also two stools that can be stored under the table. This area serves as great space to start the day with the paper and cup of coffee, but is also elegant enough to serve a fine meal to most treasured guests. Starboard of the dinette are the companionway stairs that lead to the staterooms, as well as a water tight door that gives access to the starboard side decks.

Avanti 18 Bottle wine style\*

glass style steps to bridge\*

15' Sole TV in skylounge

Storage below countertops and overhead

Solid Surface flooring granite\*

Exhaust Vent Fan

## Remarks

---

The Marquis 65 represents the perfect blend of elegant Italian design with quality American craftsmanship. Her distinctive profile is enhanced by the luxury that surrounds all those aboard. Lavish amenities, welcoming spaces and striking décor combine to give you and your guests an incomparable yachting experience. The Marquis 65 is equipped with a spacious bridge that is designed for both navigation and entertainment. There is plenty of space topside to accommodate six adults at the custom crafted dining table. The wrap-around helm station has enough room to equip the vessel with virtually any navigation and communication tool a captain desires. Below deck you'll appreciate the full beam master suite that can be equipped with his and hers head compartments. This stateroom is also outfitted with an Ultraleather sofa lounge and a king sized, inner-spring, pillow-top mattress. The cabinets, lockers and drawers have been designed and engineered to neatly organize and store the owners on board wardrobe. Overnight or extended stay guests are accommodated within the roomy VIP stateroom and the guest stateroom for a total sleeping capacity of six people. The quality and finish of the woodwork is a distinctive feature that sets the Marquis apart from all other yachts in this class. All bulkheads, doors and cabinets are constructed of select hardwoods and coated with a high gloss, jewel like finish.

## Salon

---

As you step from the starboard side of the teak cockpit and slide open the contoured

sliding glass door, you realize that you stepping into luxury. To port is the ultra leather salon sofa, flanked by (2) ultraleather recliners. To starboard is the pop up flat screen television (approx 35") and (2) chenille style fabric barrel chairs. This space has an abundance of overhead light as well a beautiful inlaid overhead panel design with wood feature. There are storage cabinets fore and aft of the starboard side TV as well as on each end of the sofa. There is a handsome coffe table with storage below that can made larger with pull out leafs. In the aft port corner salon you find the main distribution panel as well as the componets for the entertainment center. The componets consist of a Dennon S-5BD surround sound module with built in blue ray player. This area also houses the Dish Network Sat TV Box (\*Sat TV box does not convey) that is wired to provide SAT TV throughout the vessel. Sorround sound is delivered through 5 seperate speakers that are recessed in the overhead liner as well as a built subwoofer that is located in the forward port corner of the salon.
