SPECIFICATIONS

Overview

The 105 Sport benefits from the additional interior saloon forward of the driving position as well as the more usual “open” saloon aft, while still having the racy looks of an open boat.

With only three cabins rather than the standard four, her cabins are much more luxurious, especially the huge Master cabin. This was very much designed with the Owner’s comfort in mind.

Tasteful décor and the usual very high Mangusta spec completes an attractive package. Perfect both for weekends with friends but also more suitable than a normal open boat for extended cruising or liveaboard.
