Salon

The custom upper Salon is accessed through a sliding glass door on the aft deck and has an attractive open-space design where discrete, stylish luxury and a harmony of shapes and colors dominate.

The Salon is remarkably high and spacious, with a large, comfortable leather sofa and a teak hi-lo table to the starboard side. To the port side are cabinets and a 50" LCD TV on a high/low mechanism.

To the center of the Salon, behind the three (3) leather electric helm seats, is a wet bar with marble counter tops and an ice maker, as well as three (3) bar stools. To the left of the helm seats is a small refrigerator and flatware storage.

There is custom teak interior wood and Wenge flooring throughout, as well as stitched leather overhead panels.

Media Room

The Media room becomes an alternative living area to the Main Salon, offering more freedom of use and more space for all occasions. This lower lounge also has another advantage at night the large, comfortable leather sofa can be transformed into a spacious double bed for guests. It also has a head located at the base of the stairs.

Master Stateroom

The staterooms are reached from the upper Salon via a stairway beside the helm station. A

second stairway aft leads to the galley and the crew area.

The enchanting master cabin suite is the heart of the boat. The spacious entrance houses large wardrobes, leather tiled floors and an abundance of light from the large windows on both the port and starboard sides that also gives ample view of the sea and the natural light. The optimisation of space provides the master stateroom the ability to have a generous king size bed and ensuite head.

Other features of this stateroom include electric blinds, a Bose stereo system, a Sharp TV with Direct TV receiver and an Ipod docking station.

The ensuite head features his and hers wash basins, a large shower, a private head and a bidet.

VIP Stateroom

The VIP stateroom is beautifully finished with luxury fittings. Located in the bow, it is a circular cabin with a 45 degree bed, a walk-in wardrobe and a small sofa, as well as a large head and shower.

Guest Stateroom

Further toward the center of the boat on the port side is the guest stateroom, featuring twin berths and a Pullman berth, as well as a large closet and an ensuite head and shower.

Other features include an Aquas TV, Direct TV receiver and an AM/FM CD player.

Crew Quarters

Off the Galley, the crew area in the stern is also extremely comfortable and consists of a twin cabin, as well as a single cabin for the captain, with closets in each cabin. Also included is a full size Miele washer and dryer and a shared shower and head.
