## Overview

---

The NANEA is the dream boat of a very knowledgeable and experienced sportfishing, diving and cruising family. She has successfully traveled on her own bottom from Alaska to the Gulf of Mexico, then for two years fished and cruised Australia and the Great Barrier Reef all while receiving the utmost care and maintenance. She has only been used by her owners and never chartered. The over-sized living areas are such that they can be enjoyed by everyone aboard without being cramped. Every detail was planned for safety, dependability, and function. Extensive re-fit Summer, 2013. Including paint, electronics, interior, new Frp hard top, etc...The unique open layout and unusual wide beam creates a most comfortable vessel for extended periods of time "on board."

# DETAILED INFORMATION

---

## Accommodations And Layout

---

The NANEA features four double staterooms and five heads, an enclosed pilothouse with a fully functional flybridge on top, a massive galley and salon, an inviting mezzanine deck, and a battle proven cockpit. Beginning forward is the VIP suite with a queen-sized berth on center, 3 sides of "Chris Channel art glass", plenty of storage, entertainment center, and a private head with separate stall shower. Next aft and to port is the second guest stateroom with a queen berth offset to port, plenty of storage and a private head with a separate stall shower. Directly to starboard is the third guest stateroom or crew quarters with over and under criss-crossed berths, drawer and hanging storage, and a private head with separate stall shower.

Further aft and down two steps is the luxurious full-width master suite with a walk-around queen berth, large hanging locker, and plenty of drawer storage. There is also a lighted dressing vanity and a complete entertainment center. Just aft is the indescribable master bath with a large Jacuzzi tub completely surrounded on 3 sides by "Chris Channel art glass" illuminated with fiber optics. There is also a commode, bidet, and a granite top vanity.

On the main deck and forward is the spacious "Country Kitchen" loaded with accoutrements for the discriminating chef, lots of counter space and plenty of storage, a large island in the middle and a U-shaped dinette to starboard. The salon is aft and down two steps with a counter top bar forward, 2 built-in L-shaped sofas to port and starboard, 2 custom hydraulic activated Hi/Lo and sliding cocktail tables, entertainment center and pilothouse stairs forward and to starboard, custom hand made carpet with a full-sized colored marlin inlay with a blue and white perimeter border.

Access to the aft deck is via double sliding doors on center. The aft deck features a settee to starboard with an air condition vent and reading light. There is a half round Corian table and five Pompanette bar stools aft and center. From the aft deck the cockpit is to starboard and down 4 steps. From the cockpit forward is lazarette storage between the cockpit and engine room and features a day head, 2 separate freezers, rod storage, and dive equipment storage and electrical panels.

Up the circular stairway from the salon is the large pilothouse with full instrumentation forward, a large L-shaped settee and table aft and to port and wet bar with storage in flip-up-T.V. to starboard. There is a single Stidd fully functional helm chair and a separate Stidd bench companion seat. The interior decor is tastefully decorated with a conservative use of Anigre cabinetry and trim with mappa burl accents, light colored beige Whisper Wall is used throughout with the wood accents and wainscoting. The beige window blinds raise and lower electrically. All master suite and galley counter tops are of custom lightweight Giallo Napoleon granite with Anigre sea rails and bull nose trim.

---

## MECHANICAL AND ENGINE EQUIPMENT / ROOM

---

- Cruisaire reverse cycle 120,000 BTU chilled water air condition and reverse cycle heating system
