SPECIFICATIONS

Overview

We saw the first 509 in France several months ago. Everyone who has been aboard has loved the interior and nice exterior profile.

There are many different interior layouts to chose from.

The cockpit area is enormous but fully functional for ease of sailing with mainsheets and genoa sheets led to both helm stations with easy to reach powerful winches.

Entirely new model for 2012 and drawing on the latest technological advances in naval architecture and design, the Sun Odyssey 509 embodies all the aspects a Jeanneau owner desires. Designed by Philippe Briand, the Sun Odyssey 509 combines timeless design, exceptional seaworthiness and unmatched comfort. The high-aspect ratio sail plan allows for a large selection of different sails.

The rig can be adapted to a variety of different types of sailing.
