SPECIFICATIONS

Overview

The design brief for sailing yacht AVENTURA was to create a world cruising yacht for a young family. Safety and comfort were the two most important qualities. Beauty, flexibility and ease followed suit. In true Fontaine style, sailing yacht AVENTURA provides the owner with classic beauty married to modern technology. The centerboard gives great access in coastal waters where other sister ships dare not tread. The push-button rig and fold-down stern ease the change between wind and water. The flow of the yacht with three entrance/exits, an on-deck salon and a raised salon, plus 4 staterooms aft for owner and guests offer the maximum living potential for a yacht that can be handled by only four crew. The cruising and sailing yacht AVENTURA is ready now for world cruising.
