DETAILED INFORMATION

Vessel Walkthrough

Boarding the boat you will see the lush aft bench seat for six and to the rear a faux wood walkthrough to the swim platform with oversized ostrich sun pads on either side. The spacious swim platform has a hot and cold shower with excellent boarding access on the swim ladder! Forward of the aft bench seat is a spacious cockpit with designer teak deck and a hydraulic helm seat for two. The helm offers excellent visibility and all of the electronics as well as the gauges are easily accessible for use in operation. The cabin entry is to the port side of the helm and enters into a 6.5' headroom spacious cabin. Entering the cabin to the port is a fully functional galley with microwave, 2 burner cook top and fridge as well as ample storage for extended travels. To the starboard is a full size bathroom with standup shower and electric toilet. Plenty of storage space, mirrors and large sink will make this bath enjoyable. The main living area with dual settee is very large as it carries full beam of the boat. With music and A/C this area is an excellent place to relax out of the sun! Just forward of the dual settees and custom Scarab mirrors is the queen V berth. Well laid out and comfortable this Scarab is a true delight from BOW to stern!
