SPECIFICATIONS

Overview

Centurion is a truly one of a kind Hatteras convertible sportfish. Starting her life as a 41C, the owner spent over \$400,000 in 2005 on a factory engineered 4 foot cockpit extension and re-power. Her reliable 700HP 4 stroke MAN engines will push her effortlessly through a broad cruise range of 21 knots at 30 GPH, up to a fast cruise of 28 knots if so desired. Her custom extended teak cockpit is tournament ready and boasts a 80# Murray Brothers Fighting chair, a huge custom refrigerated ice chipper fed in-deck fish box and cockpit freezer. Her long list of upgrades done during this re-fit makes her a great value that will afford many years of worry free fishing or cruising. The owner is scaling down and will consider a late model twin outboard CC as a partial trade.

Basic Information

Category: Sport Fisherman

Sub Category: Convertible

Model Year: 1986

Year Built: 1986

Country: United States

Cockpit: Yes

Dimensions

LOA: 41' 0" (12.50m)
