DETAILED INFORMATION

Accommodations

The 27 foot Sailfish was, for a long time, one of Grady Whites' best selling models. She was first introduced in 1994 and continued through 2000.

Her newly designed hull bottom increased the transom deadrise providing a good open water performance. The large cockpit space with a wide 9 foot 6 inch beam added plenty of cockpit for great fishability.

She has a comfortable cabin with an enclosed head, adequate galley with refrigerator and stove top and accommodations for four including a V-berth with removable table and athwartships aft berth.

The twin 225 Yamaha outboards will provide a cruising speed of 25-knots and top out over 40-knots.
