Overview

Built in Italy by the renowned and respected OTAM Shipyard, Flèche d' Argent was hardly used up until 2008 when she was bought by the previous owner. Over the winter of 2008/2009 she underwent a major refit involving a complete change of the accomodation, deck and a complete paint job. Winter 2011/2012, big refit on all the mechanical side of the yacht. As a high performance yacht with ample range , she is the perfect luxury commuter, allowing day trips to Saint Tropez, Monaco, Portofino or Corsica. Flèche d'Argent has remarkable features that make her a rare, desirable and ideal fast commuter for the Mediterranean.
