## Overview

---

A beautiful and fast launch from Kay Tek, a well known Turkish Builder built in 2004. Built out of Mahogany and varnished to a high gloss, this classy little launch would make a perfect tender for a large superyacht. It can reach speeds up to 45 kts with the single Yanmar 315 hp diesel engine with Bravo II stern drive and cruises efficiently at 33 kts. With a single V berth stateroom forward with small toilet underneath the V berth, this would be the perfect yacht to go day cruising around Thailand's beautiful islands or occasionally overnight.

The aft part of the deck over the engine has a large sunpad perfect for sun bathing and the forward part of the yacht has a nice settee, helm station and two bucket seats where sit can comfortably sit, all covered with a canvas Bimini top. She is currently out of the water for some service, refit work and revarnishing. Afterwards she will be stored in dry storage so that it is in perfect condition for the next buyer.

The price is 2,500,000 Thai Baht. The USD price is approximate.

Call today to view this lovely yacht.
