DETAILED INFORMATION

Introduction

ATTENTION ALL SUMMER BOATERS: Here is your perfect summer family home for this summer. This beautiful Carver Motoryacht has been lovingly cared for and is only offered for sale by her owners who want to move up. The 444 Cockpit Motor Yacht blends the superb luxury and spaciousness of an aft cabin with contemporary styling and thoughtful design, and includes Carver's signature raised walk deck design that allows for a wider, much roomier cabin than other yachts this size. The salon, galley, and dining area are united into one spacious and elegant "great room." This expansive great room features all sorts of amenities, from the sumptuous designer decor and UltraLeather sofa to the beautiful - yet practical - solid-surface countertops. When it comes to sleeping accommodations, there is the unexpected luxury of two private staterooms, each with its own private head compartment. "MOON SHADOW" has been meticulously kept by her owners who are licensed USCG Captains. Featuring new bridge enclosure, very low hours and light local use, she is a perfect family cruiser that will not disappoint. She represents a tremendous value in the cruiser market and is offered at a reasonable asking price. Owners moving up. Easy to see in beautiful Boston Harbor, and courtesy showings are available.
