SPECIFICATIONS

Overview

The natural evolution of a design and a construction philosophy aimed at achieving maximum quality of life on-board a sports boat led to the Pershing 88', an unequalled motor yacht, a unique star of the sea. Comfort, luxury and practicality are the main features of the upper saloon, which is furnished with a large circular divan. Exceptionally spacious, the Pershing 88' offers some incredibly innovative design solutions. The polished cherry wood used for the galley and saloon, transmits a pleasing sensation of warmth and comfort. The warmth of cherry wood finishing and leather upholstery offers an incredible feeling of comfort. The master cabin, located in the centre of the boat, is perfectly isolated from the engine room. Luxury and elegance down to the finest detail, nothing is left to chance on the Pershing 88. Aggressive with the waves thanks to the elegant and sleek lines, she is very comfortable below deck. The soft and rounded shapes of the furnishings highlight the spaciousness of the VIP cabin. The elegance and comfort of the guest cabins are unrivalled. All features have been designed down to the smallest detail to ensure a comfortable stay aboard. The tender, hidden away on deck, is raised and lowered with a hydraulic crane. Simply extraordinary: the Pershing 88' is a dream come true.
