## Overview

---

One of the finest example of converted tug with high comfort and latest technology.

"D.P. Monitor" is a pleasurable cruising yacht that makes the most of her design capacity. She is appreciated for her optimum seaworthiness and stability - two fundamental requisites for those who demand the maximum serenity from their vessels. "D.P. Monitor" is the ideal yacht for owners fascinated by the classic lines of the working boat. Constructed in 1953 by Cantieri Benetti Shipyards, "D.P. Monitor" underwent a recent re-styling (2010-2011) of her interiors and external, that granted a subtle and noble charm to her furnishing and decor. The result is an exclusive yacht that perfectly combines avant-garde technological solutions with the vintage appeal of its original particulars. Just reduced from 1.9 mil. to 1,250 mil Euros.
