SPECIFICATIONS

Overview

The new Custom 140' (43M) Series layout is based off of our world famous 50M series including the 29' 6" wide beam for unparalleled volume of living and storage space. The Custom 140' features a massive 480 GRT for maximum interior space for the size, with five staterooms, full beam massive sky lounge, elevator through all decks including sundeck, and helicopter touch and go, and crew of 8. This is perfect Custom Series for the owner who has limited dockage length, yet requires the same robust systems, quality, and craftsmanship as the 50M series. Optional layouts provide for a tender garage, five staterooms, full beam sky lounge, and amenities like eight person hot tub and an elevator through all levels including the sun deck.
