SPECIFICATIONS

Overview

This custom sport fisherman has been well taken care of and the owner has allowed the captain to work with an open checkbook. To keep the yacht looking fresh and running great the owner had an Awlgrip paint job done and carpeting placed throughout and a major overhaul of the engines.. The yacht shows very well and should be considered by anyone in the market for a quality 55-60 ft sport fishing yacht.

Will trade for 65 - 70 Sportfisherman
