## Overview

---

“Incredible opportunity on one of the most classic offshore battlewagons ever built. Woodburn is turn-key with an updated interior, recently detailed engine room and everything you need to fish hard. Although she has some hours under her belt, she has the bulletproof Caterpillar 3208 Turbos with plenty of life left in them. Caterpillar performed a recent engine survey with oil and fluid analysis and she has a clean bill of health. Woodburn’s owner has found his next boat and has priced her to sell immediately. Bring an offer!”

# DETAILED INFORMATION

---

## Accommodations

---

Classic pedigreed Bertram 37 Sportfish. Cat-powered and set up to tournament fish by a very knowledgeable owner who is looking to move up ASAP! Bring all offers and trades considered!

## Vessel Walkthrough

---

“Woodburn” has had many updates and improvements over the years. Her interior has new carpet throughout as well as recent appliances, soft goods and woodwork. She has a galley-up layout with a very open salon floorplan. Down a few steps one will find a typical bunk-room to starboard, a large master stateroom forward and a full head to port- all in great condition.

Up on her flybridge, she has two swivel helm chairs and a bench area forward of the helm pod. Excellent view of the cockpit. She has an electronics box attached to her hardtop. Above the fiberglass hardtop, you’ll find an awesome tower with full controls. Incredible sightline and cockpit view for a 37’ boat. This 37 is ideal for Cobia season or someone wanting to get into billfishing on a budget. She has been well-enjoyed but owner is looking to move up quickly to a 40-50’ sportfish
