ПОДРОБНОЕ ОПИСАНИЕ

Key Features

New to the market, don't miss this amazing opportunity to buy this METICULOUSLY MAINTAINED 83' INACE EXPLORER. Beautifully upgraded and maintained by a pedigree yachtsman! This a perfect live aboard blue water explorer that is equipped to take you anywhere in the world. Her décor and design combines a very functional layout with a low maintenance exterior. A superbly engineered top-shelf trawler with impressive grand accommodations on par with those of a large motoryacht. Incredible economy with bullet proof CAT 3406C's and unprecedented sea-keeping. This Inace also features a large exterior decks with an extensive array of equipment for anything you need while onboard, making for a yacht that is ready to cruise anywhere with a posh level of sumptuous comfort.

Very rare opportunity to buy an immaculate 83' Inace. Without question the absolute best package in a 83' Explorer on the market today! Meticulously maintained, this yacht is ready to go and shows like NEW! Sure to stand out anywhere with her flawless styling and quality construction. Inace has enjoyed a reputation for building spacious, comfortable, and sea worthy Trawlers and you will enjoy true "Pride of Ownership" when you purchase an Inace like this! A beautiful ensemble ready to take you anywhere today. If you are in the market for a Explorer, Don't Let This Slip By! She is easy to see 7 days a week. Schedule an appointment today.

KEY FEATURES TO CONSIDER: IMMACULATE CONDITION!! FULL RECORDS SINCE NEW!! EFFICIENT & RELIABLE CAT 3406C's BOW THRUSTER ON-DECK MASTER STATEROOM PASSERELLE STABILIZERS ARPA EQUIPPED RADARS ALFA LAVAL CAPTAIN MAINTAINED & MORE!!

Designers Description

The 83' design was the first in this series to be built, I developed the design with Inace from one of the shipyards offshore oil supply vessels and then marketed it as the INACE EXPLORER "THE OFF ROAD VEHICLE FOR THE WATER".

This was the start of the whole line of INACE EXPLORERS, a second 83' was delivered last year and has cruised from Brazil to the Mediterranean. Four EXPLORERS have been delivered to date with five, six an seven under construction.

The new INACE 83' AFT HOUSE DESIGN has had the same upgrades found in her big sister the 93' AHD. The updated layout has the master stateroom amidships, 2 guest staterooms forward plus crews quarters. This vessel can also be built with 3 or 4 guest staterooms down and the master stateroom behind the wheel house. Her size allows her to be operated with minimal crew or owner operated.

She is a big boat in a small package. She has 8 water tight compartments and integral tanks. The new design keeps all of the heavy duty construction found on the original designs but refines the layout, finishing, incorporates upgraded equipment and systems into the base price. Items like zinc coating of the exterior steel above the water line, CiNI piping for the raw water systems and numerous other items. Unlike many other vessels in this size class she has a large full standup engine room with twin Main engines and generators. She is a great choice for someone who wants a vessel with more room and abilities then the average 65' designs offer but want to stay in the same price point as you would pay for the smaller vessel in other yards.

Accommodations

- Owner cabin located on upper sky lounge deck near the bridge, independent bathroom en-suite, all exterior with great views and access to a large terrace with shower
- (2) VIP cabins with en-suite bathrooms on lower deck.
- (2) Double cabins with en-suite bathrooms on lower deck.
