DETAILED INFORMATION

Vessel Walkthrough

- Owned and properly maintained by experienced owner.
- Kept under cover since 2005.
- MerCruiser 7.4L fuel injected engines
- New Risers and Manifolds, August 2012
- Canvas and Isinglass in excellent shape
- Upgraded Maple wood throughout
- Hardwood floor in galley
- Updated Refrigerator
- Updated A/C units

With such an open guest friendly layout there was a strong buyer demand for the 380 Santego, keeping this vessel in a production run for well over a decade.

The 380 Santego comfortably provides sleeping room for four with a double berth in the private master and double berth converting from the wrap around dinette. This spacious open style layout is rarely seen in a boat this size, typically you would go to a larger boat to get this amount of space.

Entering though the aft sliding glass door to the salon, you have a tan leather L-Shaped sofa to port and a tan leather sofa with a maple wood dinette table to starboard. To port you have an entertainment center with a swivel mounted flat screen TV and to starboard is the door to the head.

Moving forward is the galley with ample storage, stainless steel sink, electric stove top burners, coffee maker and a generous sized refrigerator to port. To starboard there is a wet bar with icemaker. All with the upgraded maple wood cabinets throughout.

Forward of the galley is the master stateroom with a folding privacy door. Inside the master stateroom you have a double berth with 4 storage drawers beneath and 2 hanging closets to port and starboard. The master stateroom also has private access to the head through a connecting door.

The head located to starboard has access doors from either the forward master stateroom or the salon. It has all the amenities for comfort on an extended stay aboard, including a mirrored vanity, stainless steel sink, plenty of storage, toilet and a large walk-in shower.

The exterior of the 380 Santego offers a swim platform with storage hatches and spacious aft cockpit lounge with an aft bench. It also has a custom bimini top to stay shaded along with the capability of a walk around.

The command bridge has plenty of seating for the captain, family and friends with a double wide helm seat, forward bench seat, port and starboard lounges as well as plenty of storage. The center walkthrough to bow from the bridge makes docking and tying lines a breeze. The bridge can also be fully enclosed with the excellent condition canvas and isinglass with inlaid screen windows.

Cockpit

- Nonskid fiberglass decks
 - Heavy-duty stainless steel gunwale molding inserts
 - Cockpit, self-bailing, includes lounge, with storage
 - Cockpit lounge with cover
