Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MAN

Model: V10 - V Drive

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Salesman's Remarks

Of the various members of the Riva family, this is the yacht whose character, as indeed its name suggests, is both strong and gritty. It is not only a matter of name, however. Indeed, Rivale's unique, sharp line has a smart, welcoming heart, created from refined wood and quality textiles. The interior design is based on a harmonious blend of elegance and sobriety, and cleverly set out living areas. This 52 footer features large cabins, a comfortable dining-area and a cockpit which satisfies all demands for outdoor living, as well as one of the largest garages (which stores a 3.2 metre tender) in this category, making her with a strong personality.

The size of this unrivalled yacht has been chosen by owners wishing to man and enjoy their craft firsthand (if this is the case, the crew cabin can be used as a guest cabin) and enjoy life at sea in comfort indeed, but also total privacy, counting on reliability and simplicity of use. Rivale carries the philosophy of Riva yachts: personality, style, elegance and constant innovation.

A buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Comments

The "Moroccan Queen" is hull # 10 of the successful 52 Rivale series. A survey taken this summer shows the boat in excellent mechanical shape. The current owner has priced her to sell and is looking for offers.

Exclusions

Owner's personal belongings.
