SPECIFICATIONS

Overview

Tippecanoe is a great example of the well respected Farr 395, which got 'Boat of the year' in 2002 and has been a very successful design with world wide acclaim. This vessel is well equipped with a Volvo Penta 40HP diesel, autopilot, good sail inventory and features excellent electronics/navigation equipment and Harken sailing hardware. All Farr Design updates have recently been accomplished and the mast was reconditioned. The vessel is easy to see on Marco Island. Just give us a call for a convenient appointment.

DETAILED INFORMATION

Accommodations

There is a spacious private cabin forward with a v-berth and hanging locker. The cabin features a large overhead hatch, a solar powered vent, 12 lighting, and a turbo fan. It also has a private entrance door to the head, which is located to starboard. The head has a large molded in sink and vanity with cabinets ample storage, a marine toilet with holding tank and macerator, and extendable sink faucet for shower within. It also has an overhead hatch.

Just aft is the main salon with ultra-leather settees on port and starboard with storage under. There is a fold down dinette table located in the center of the salon (stored off the boat currently). This vessel is also fitted with removable pilot berths over the settees for the off-watch crew on extended races. There are two removable floor panels for additional storage. This cabin has a large overhead hatch, solar powered vent, flush mounted 12v. lighting, along with 2 turbo fans, reading lights and stereo speakers.

Aft to port is an L-shaped galley with granite countertops, deep S.S. sink, Tasco propane 2 burner stovetop/oven, SeaFrost holding plate refrigeration (engine driven), and ample storage in cabinets and drawers. There is also an opening port for additional light and ventilation.

Opposite the galley to port is the nav station, with chart table and utraleather seat. There are 4 drawers and chart storage under the table, 12v. lighting, and an opening port above.

There are wide port and starboard quarter berths, each with storage shelf, opening port, lighting, and turbo fan. There is a hanging locker to starboard behine the nav station.
