DETAILED INFORMATION

Manufacturer Provided

Manufacturer Provided Description

The Donzi 35 ZF enjoys a hard-earned reputation as one of the most distinctive and sought-after high performance center consoles on the water. With its sleek styling, accommodating layout and breathtaking performance, the 35 ZF easily accommodates a wide range of on-water activities. The 35 ZF's comfortable cockpit features richly upholstered drop-down bolster seats and wraparound cockpit coaming bolsters. There's an enclosed head compartment with nearly six feet of headroom concealed beneath the center console, equipped with a freshwater sink, shower, and head. A curved, tempered-glass console windshield looks great while offering protection. Donzi offers an aluminum T-top with electronics box, spreader lights & integrated overhead PFD storage, or opt for the Daytona package for a powdercoated aluminum arch with fixed forward canvas brow and retractable bimini top.

Exclusions

Owner's personal belongings.
