Overview

This ONE OF A KIND Post 42 is not to be missed....**freshwater** since new...only two very finicky owners...just 300 hours on complete rebuilds...updated interior...clean, clean, clean, and ready to go!

If there is such a thing as a 14 year old "new" boat, this one is it. She's not "redone" ...she's just had that kind of care. Whether you are a freshwater boater, or salt, you will not believe the condition of this yacht! A recent survey found virtually nothing that needed attention.
