### Engine

The engine was replaced 70 hours ago. It is a 70 hp Yanmar with great access on all sides.

### Accommodations

As you enter from the cockpit, you are in the large main salon. To the port side is the forward facing navigation station. Moving aft of the nav. station, through the door to a single bunk/tool and work shop. moving aft again, through the door you enter the aft stateroom with a big double bed arranged athwartship. On the starboard side is the head and shower. Moving forward through the door you are in the beautiful full galley. It has Beautiful wood work throughout. A 3 burner propane Shipmate stove and oven with a broiler for your cooking needs. Double stainless sinks with salt and fresh water. The top load refrigeration also has a front load door for easy access. Moving forward you are now back in the large, well planned, main salon with a large L-shaped settee on the port side and large table that will fold down. On the starboard side are 2 very comfortable swivel chairs with their own small table. Moving forward there are 2 more doors, one leads to the second head and shower, and one leading to the forward V berth with lots of storage and private entrance to the forward head. Both of the heads were replaced 2 months ago. Prisms were installed in various places to allow light to be magnified. For more light and ventilation there are 4 hatches with screens and 4 opening ports and 6 non opening ports.

### Broker Comments

This is a one owner Tayana 42' CC. This blue water boat is ready to take the new owner anywhere they would want to go...and back. With a fresh Yanmar engine with only 70 hours on it. This is a fantastic opportunity for someone who has been waiting for the right boat to come along. This yacht was built to stand up to offshore service and would be a great live aboard for a cruising couple. Whether your going to cross some big water or do some Island hopping, It
