# SPECIFICATIONS

---

## Overview

---

The Riviera 47 Enclosed Flybridge model caters not only to those with a penchant for comfort and relaxed entertaining, but also to the serious long-range cruiser. With everything, from the bow thruster to the Bose audio system (one of three independent audio systems), to luxuries such as the soft leather upholstery, the fine American Cherrywood timberwork and quality hardware and fittings, this is undoubtedly one of the best-equipped vessels on the market. With sensible engine options ranging from standard twin 660hp diesels up to twin 825hp diesels, the ride can also be as exhilarating as you like. The standard fuel capacity of 713 US Gal provides an unparalleled cruising range.
