SPECIFICATIONS

Overview

As stylish as she is functional, the new E56 unites the latest in green techonology with a smart, modern design. The E56's 3 spacious staterooms, include a full-beam master, reminiscent of a much larger yacht. LED lighting and natural light keep her efficient. Featuring twin Volvo IPS engines, hydraulic hi/lo swim platform, and a customized hard top...**delivery available now!**

Accommodations

Total Cabins: 3

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Volvo Penta

Model: IPS 900

Engine Type: Inboard

DETAILED INFORMATION

Accommodations

Exterior styling by JC Espinosa has created a streamlined profile, accentuated by large E-glass windows and an oversize windshield for enhanced natural light and increased visibility – not to mention unrivaled panoramic views. The three stateroom/two head layout is comparable to a much larger yacht, with thoughtfully-designed accommodations that maximize space while retaining an open feel. The IPS drive's aft location provides increased interior volume, allowing a full-beam master with a walk-in closet, master head and room to spare for either a desk or seating. A guest stateroom with twin bunks is forward and to starboard, with a shared head to port and the highly spacious VIP cabin completely forward.

For entertaining with a view, the E56's flybridge features sun pads and alfresco dining for eight, and a newly designed helm station with dynamic positioning system makes maneuvering and docking a breeze. The aft deck seating area contains dining for six, with the option for an aft galley location that provides easy access to the aft deck, and a hydraulic hi/lo swim platform and transom trunk storage proves ideal for a multitude of water sport activities.

- **Interior available for customization**
 - High quality design lighting system
 - Removable interlocking vinyl-ceiling panels throughout
 - Indirect lighting system under sofas, beds and curtain valences
 - High quality standard push button cabinet door locks
- **Salon**
