## Overview

---

Golden K is the flagship motor yacht of the Turkish shipyard Noble Yachts. 32 meters / 105ft of pure elegance and uniqueness. She is a pure custom yacht! Golden K is used as a showcase yacht to demonstrate the highest standards and quality of Noble Yachts shipyard. She is still a brand new yacht and now is looking for an owner to acquire her. Built with cold molded wood lamination covered with E-class fiber and epoxy to be lighter, gain impact resistance and to have a more effective noise and heat isolation, she provides the ultimate comfort and pleasant feeling while on board. Golden K offers a spacious fly bridge with everything you might need to relax and enjoy while sailing. She features every piece of equipment a mega yacht should have. All her video - audio systems are the best in the market. She was built to the highest standards with the best equipment available in yachting and her interior designer "Onur Mangaloglu" custom designed every piece of furniture using one of the most recognized and high qualities Italian manufacturers, SMANIA. She features interior designed quality details. The LED lighting is one of the modern characteristics of Golden K.
