## Overview

---

New for 2012, the Predator 74 introduces increased interior volume and the exciting new option of a sports flybridge. Eagle II offers a flexible accommodation plan with the option of a two-berth crew cabin aft - cleverly designed to retain a tender garage below and also a fourth stateroom in lieu of an additional lower deck salon. On a more inclusive or occasionally crewed version, this would leave extra space in the garage for additional jet rib and toys.

NOT FOR SALE TO US RESIDENTS IN US WATERS
