SPECIFICATIONS

Overview

This is a true classic yacht which was designed by Sparkman & Stephens and was built in 1936 in the United States. She has received two refits, one in 1956 in Dioma and one in 1976 in Rio de Janeiro. Anerag has all the excellent sailing qualities you could expect for a classic boat like this. She is unusually spacious below deck plus she has a bathroom with a shower, a real rarity in classic yachts. She has even been sailed by many celebrities, including Brigitte Bardot and ex-president Getúlio Vargas. If you have a passion for classic sailing yachts, you need to view Anerag.
