## Overview

---

TRUE COMPANION is a wonderful, tri cabin trawler capable of cruising in the high teens economically and even more so at trawler speeds. The 43 was designed with a modified deep V hull which allows her to run efficiently.

TRUE COMPANION is in good condition and should be on your short list of vessel to see before you make your purchase. Located a few miles south of Annapolis, Maryland easy to see.

She has wonderful accommodations inside and out. The large flybridge deck is covered by brand new (October 2013) bimini and full enclosure. There is more than ample seating in this area. There is another deck area, down a couple of stairs with two chairs and a table; this area is not covered. The aft deck is large and had good storage space under two deck hatches. There is a transom door leading to a swim platform. The side decks are wide and safe to use.

You step into the interior via one of three doors leading into the salon. The inside helm is to starboard, the galley to port. The master stateroom is aft with centerline queen and ensuite head & shower.. There are two guest staterooms forward that share a head & shower.

Give us a call to make plans to see TRUE COMPANION soon.
