DETAILED INFORMATION

Overview

Owner Desires to TRADE UP to a 80'-100' Motor Yacht

~Extensive Refit 2012~

"Golden Eagle III" is a meticulously maintained, updated example of the Viking 60 Cockpit Motor Yacht. This functional and popular model is perfect for the cruising family or for entertaining a crowd in air-conditioned comfort.

Vessel Walkthrough

This boat is one of the last of the very popular Viking 60' Cockpit Sports Yachts built and includes the BEST OF EVERYTHING with many enhancements: "booth style dinette"; extended galley countertop with two bar stools; "teak" on all cabinets in heads; "teak" on refrigerator and dishwasher; radar mast. The flybridge has great electronics that include Sat Phone and Sat TV. The bridge is stunning in appearance with three "Admiral Blue" Stidd helm chairs and blue piping on cushions. The aft deck has love seat and L-Shaped sofa by Viking with storage. The davit and dinghy are first rate and the auto windlass features "all chain". There are three staterooms.....beam to beam MASTER is aft with two closets (one walk-in) and vanity, plentiful storage drawers. The master head has a mirrored ceiling and large shower. The VIP stateroom is forward with large head, queen bed (with lift top and abundant storage), storage drawers and hanging locker. "Golden Eagle III" features the highest quality Viking décor package - the Fabrica Carpeting is a "beige tone" and the salon sofa is a "milkweed color" ultraleather. The dominant accent color throughout the yacht is a nautical "blue". This low hour Viking has received the best of care and has always been served by the selling Viking dealership. No expense has ever been spared in the maintenance of the beautiful yacht; there are spare props and the best of all Viking options. Fully air-conditioned including aft deck and enclosed flybridge. You MUST SEE this outstanding 60' Viking!
