SPECIFICATIONS

Overview

"Flying Target" Is in a class of her own. She has been lovingly restored and maintained by her owner of 25 years (He is only the 3rd owner since new). This boat is a one of a kind. She is powered by a 1300 hp Allison aircraft engine that has been marinized with Closed Cooling, MSD Ignition, and modern V-12 automotive distributors. This impressive engine is coupled to a custom transfer case that transfers power to two separate transmissions and then to two shafts and props. The Two Cockpit Areas have seating for 9 people and with her high freeboard and bottom design, a little rough water will not keep you tied to the dock.

Basic Information

DETAILED INFORMATION

Walkthrough

Flying Target is truly a one of a kind craft. She will turn heads in any yacht club or harbor and would make a great addition to any Connoisseur's collection. She seats 9 people in 2 cockpits and has a v-berth setup forward with toilet. Her owner has been careful to maintain her original style while upgrading her to be a reliable, usable boat. While in the water, she has always been stored in a covered slip in freshwater.

Construction & Deck

The hull is constructed of cedar and is painted a beautiful dark green with a red boot stripe. The deck is constructed of mahogany, stained red and varnished bright. The forward cockpit seats 6-7 people in green leather seats. The aft cockpit seats 2-3 people and features it's own windsheild. Between the two cockpits there are 2 engine hatches the open and close at the push of a switch on the dash. Aft of the the second cockpit the are two small deck hatches that conceal a large storge area below. All of the finishes are Algrip. All of the hardware is original.

- Green leather seating (2004)
- Green leather v-bunk cushions (2004)
- All new glass
- Wood & chrome steering wheel
- Chrome spotlight
- All chrome replated (2003)
- Green Sunbrella cockpit covers
- Folding foot rests

Mechanical

The Allison 1710 aircraft engine has been marinized with closed cooling. It is coupled to a custom transfer case and then to two independent Chrysler transmissions. The Engine has also been equipped with MSD ignition system and modern automotive type distributors for relibale service. The engine runs on regular pump gas. The 4 barrel carborator is brand new.

- Complete spare engine (ready to install)
- Twin screw
- New batteries (2005/06)
- Battery charger
- Stewart Warner gauges

- Spare carburetor (brand new)
- Spare props
- Bronze rudders & struts
- 1-1/4" stainless shafts
- 21" 3 blade props
- 12 & 24 volt systems
- Electric opening engine hatches
- OEM engine manuals
- Numerous spare engine and gearbox parts
- Large Racor fuel Filters

Remarks

"Flying Target" is a must see vessel. She has always been in freshwater (never seen salt) and has been maintained and upgraded by her 3rd owner (who has owned her for the past 20 years). She has a complete spare (never used) Allison engine and a custom built tri-axle steel trailer. You will be the envy of all your friends.

Exclusions

Owner's personal belongings.
