- Full awning with sides/stern to mast/

*Safety Equipment:*

- Stainless steel lifelines.
- Each side drops for easy access for back quarter section of lifelines.
- Liferaft.

---

## Broker's Comments

---

TEXAS STAR is a lovely example of the Swan 371. She has been maintained superbly, with new decks, new floorboards in 2006; done at the Jamestown Boat Yard. The hull is still has the original gelcoat but shining and buffed out every season, and same on the fiberglass portions of her deck. The interior woodwork shows very little wear and tear. The rod rigging was also

replaced in 2006.

## **Exclusions**

---

Owner's personal belongings.
