DETAILED INFORMATION

Key Features

Great opportunity to buy a well kept Cummins diesel powered Boat with very clean engine room. She has a great exterior with well designed inside. Take a look at KING BEE and see why she will be the next to sell!

3 Staterooms

The Master stateroom in the 455 Carver is bigger than most 50 ft yachts. It is located aft and very well designed with walk around extra large berth and settee. The two main staterooms have **newer custom pillow-top mattresses**. The master head area was well done and spacious. The master stateroom has separated shower and separated head with double doors with sink and vanity in between. The TV is built in to the beautiful maple interior with hanging locker. Great storage thru out and very comfortable design.

The VIP is Forward and allows for privacy from master stateroom and also has a full Island queen berth. The guest head is very spacious with **full size tub** and sink with vanity.

The Third stateroom is to port and across from Guest Head. It also can be used for extra storage, Bunk room, or office.

Galley and Salon

As you walk into the salon, the galley is immediately to port and this design was ahead of its time. New yacht designs are putting Galleys as close to the aft deck or cockpit instead of all the way forward like many other manufacturers. The galley is close to the entrance and nice size. .

- Stove and convention
- Refrigerator
- Full dinette
- Great layout with seating on both sides of the boat
- Beautiful Maple interior and lite interior

- GPS Northstar 6000I located to port of helm
- Home system JVC Tuner , VCR , CD Palyer
- Flat Screen by Insignia on aft Deck with cd player Disc changer and sterio

Aft Deck and Flybridge

The 455 Carver has a great design, and sharp lines. The "KING BEE" has excellent looking exterior with Hardtops on both aft deck and flybridge, with excellant views.

Great Visibility with 180 degree water views and one of the most important places on the yacht, Coffee, Breakfast or afternoon cocktails with friends and family this is a great space. As you walk onboard via the swimplatform, there is great access to the swim platform for line handling. Many aft decks yachts lack good line handling. Located on the swim platform is a a dockbox which is great seating and also storage. There is plenty of room dock lines, and all your neccasary equipment.

The aft deck opens to the flybridge and easy access. As you look to portside , you notice an entertainment center with wet bar, refrigerator, icemaker and Flatscreen TV .

Bottom and Deck

- Windless Replaced

- Propellers are 32" X 37" four blade and propellers have been coated with "Prop speed. The Propeller shafts are 2.5" stainless steel Struts with single-arm each side cutlass.
- In 2011 The shafts were dialed and found to turn true at their tapers with Spurs line cutters. Custom spray rails have been fiberglassed to the hull at the chine break, port and starboard forward. **Two new underwater lights have been installed at the transom.**
