SPECIFICATIONS

Overview

Push button RETRACTABLE FLYBRIDGE (see video) enable her to slip under 10' fixed bridges with ease. This 31' sedan bridge has more space than you would imagine. Two staterooms (one with King bed and one with bunks) plus extra sleeping in the main saloon. The full beam open saloon coupled with high ceilings so that even the tallest guests (well – maybe excluding NBA players) will be comfortable, make you think you are on a much larger vessel.

She has been very well maintained and has complete service records available. Just completed in March of 2013: New Trinidad bottom paint, Props cleaned and balanced, New Zincs, All running gear treated with Trilux. This one is PRICED TO SELL!! Bring Offers
