## Overview

---

Do you think stability is more important than speed? So do we and that's why we asked world famous naval architect Jack Sarin to create a new generation hull platform for our 76' motoryacht that will provide impressive performance in all sea conditions without sacrificing the safety and stability that has become synonymous with Hargrave yachts. This spacious four stateroom layout is a step up from leading production boats and features the kind of high end woodworking found only on the finest custom yachts. Powered by Caterpillar's next generation C-18TA and with 2,300 horsepower, her performance and handling will delight you! If you are currently looking in the 75'-80' size range don't buy anything until you see our new 76'. Call us today and learn why this should be the year you step up to a Hargrave."

### Design Influences and Color Pallet:

The interior of the 76' is chic, bold and trendy. The dramatic character of the salon is emphasized in the headliner framing detail of 6" wide planks of Makore exotic wood combined with plush Ultra Vinyl. The rich Makore veneer in a satin finish has a warm reddish hue that is complemented by the platinum, black and taupe fabrics and artwork. The Dining Table; which converts from 55' to 73", Cocktail Table and Side Tables are completely unique designs and are hand made in Ebony Veneer, Karelian Birch Burl and Stainless Steel. They were designed to be sculptural, interesting and individual pieces of art. The Saffron yellow and Stainless Steel accents finish and create a Salon that is inviting, edgy and fun.

## Salon

---

The designer's main goal when creating the salon arrangement was to maximize the space and not waste one inch. There had to be a large and plush/comfortable seating for socializing for at least 6, a proper dining area with designer chairs and there had to be an elegant bar cabinet with all of the amenities including ice. All of this areas coexist in an area 17'-9" x 13'.

**Main Salon/Dining Features:** Satin Makore Wood Karelian Birch Burl Wood Details Striking architectural details on ceiling 9' x 6' Plush contemporary Sectional Sofa Sculptural Cocktail table with glass top (2) Elegant Club Chairs Large Flat Screen TV and A/V center (6) Designer Dining Chairs Custom Dining Table with inlay and 18"leaf China Buffet with custom art above Starboard Bar with Clear Ice Stem ware glass racks Cantalupi Chrome LED lighting Slim Profile AC supply Fabrica Carpet throughout

## Dining

---
