Vessel Walkthrough

Entering the massive salon you'll immediately notice the tremendous headroom. Once inside, you're star struck from the sheer elegance of perfection of taste and detail. The rich book-matched teak wood work is unparalleled.

Her interior layout is huge and well thought-out, not only with design but also for functionality. All staterooms are very well appointed and oversized in nature.

"Big Dog" is the highest pedigree sportfishing boat available ever! This project took 4 years to build and a whopping price tag of \$8.5 million to complete. She lacks nothing and most important, her performance is incredible in every manner.
