DETAILED INFORMATION

Overview

“Lady Mira” is a classic 55’ Viking Widebody Motor Yacht with exceptionally spacious accommodation and excellent performance. She has a four stateroom interior with a private full beam master suite aft, with luxurious appointments and amazing storage. “Lady Mira’s” interior has been completely redecorated and updated by a renowned Houston Interior Designer. A beautiful glass dining table has a base of Italian Travertine Marble, custom dining chairs, & seating for eight or more including a custom designed banquet. Across from the dining is recessed bar with sink and icemaker and lighted barware storage above.

Highlights include a custom sectional sofa by Robert Allen, designer fabrics by Robert Allen, Beacon Hill and Lee Joffa, beautiful new drapes & cornices and beautiful top of the line Fabrica carpet. There are many new galley appliances, including a double Fisher Paykel dishwasher, GE side by side refrigerator, Kitchen Aid trash compactor, Grohe faucet, and a new disposal.

The walk in engine room houses totally rebuilt twin Detroit 8V92, turbo charged and inter-stage cooled, rated at 735 horsepower each. Both engines have less than 150 hours since the overhaul. The generator is a 20KW Onan in a sound shield enclosure. There are five air conditioners & a central vacuum system. The engine room is clean and easily accessed thru the laundry room, which has new Ariston by Spendide, stacked washer and dryer.

There is a 13’ refitted Boston Whaler Sport with a new Honda 40 HP outboard Motor. There is a 1000 Lb Hydraulic davit (rebuilt). Also included is a fiberglass steps and boarding platform with handrail.

This “dream of a yacht” has had constant maintenance and a superb cleaning schedule.

Must see to believe how beautiful & spacious “Lady Mira” is and how she outshines many vessels twice her size.

Additional Specs & Equipment Information
