SPECIFICATIONS

Overview

“Domino” is an exceptional example of the highly successful Westport 112 series. Including many upgrades over a standard Westport ‘Domino’ features a gorgeous cherry interior complimented by luxurious appointments, enhanced AV and sound system, a new tender with only 100 hours, a hydraulic passarelle and an ASea Converter enabling her to travel across the globe in comfort and luxury. Having just completed her annual yard period and engine service ‘Domino’ is ready to cruise immediately.

DETAILED INFORMATION

Vessel Walkthrough

"Domino" is an elegant 112' Westport built for a knowledgeable yachtsman. She was built with numerous factory upgrades. Incredibly luxurious, the contemporary styling creates a timeless, magnificent appeal. Entering the aft deck from one of the spiral staircases, you will find a beautifully crafted high gloss teak table with six matching teak chairs. Furnished with a complete bar, an idyllic space is created to relax and enjoy the ambiance. As you enter through the sliding glass doors from the aft deck, a spacious salon unfolds, displaying rich satin cherry wood cabinetry and refined styling. Complete with drop down TV in the center of the main salon, the expansive windows on each side of the salon provide unlimited views. An elegant formal dining set, allows you to entertain eight comfortably. Before the dining area, a gourmet country style galley allows seating designed for informal meals. Never sacrificing comfort, the country style galley features indirect lighting and cove ceilings, ensuring this galley is a place of enjoyment. The master stateroom offers a lavish and relaxing retreat, including a full king berth, his and her en suite tub and beautiful marble shower, ample drawer storage and closet. The plush VIP is forward of the galley with its own private entrance and plenty of storage with en suite. Both port and starboard staterooms each include an en suite head, wardrobe and entertainment center. The starboard guest can convert from single berth to queen berth arrangement. The configuration of this magnificent 112', offers a variety of ways to enjoy the yachting experience. Whether it be on the forward bow, sunning on a circular settee or entertaining on the flybridge deck complete with a bar, sink, fridge, icemaker, electric grill and large TV, the boat deck offers a hot-tub and additional lounging when tender is removed. "Domino" is truly a vessel to relish because she possesses all the components that elite yachting has to offer.
