ПОДРОБНОЕ ОПИСАНИЕ

Introduction

Downeast styling at its best.

Below deck is a large and comfortable island berth and a convertible L-settee which can be isolated from the cabin with a curtain. To starboard we offer a large head with separate stall shower. On the helm deck, a full galley stretches out aft of the helm seat and to port is a dinette where four adults can sit to enjoy a meal. The Back Cove 34 has two drawer refrigerators installed under the helm seats. The inlaid table is a fine example of the Maine boat builder's craftsmanship and tradition, evident throughout the Back Cove 34. Forward of the dinette, a double mate's seat is a comfortable perch for the navigator. The helm deck is airy and bright with overhead hatches, opening side windows and a center opening windshield. A Stidd helm chair provides comfort for the helmsman underway. In her cockpit a large, L-shaped bench seat and a fold-away aft facing seat allow comfortable lounging while underway or when anchored in a peaceful cove. Engine access is extraordinary, as the helm deck, including the port side dinette, lifts hydraulically to expose the yacht's mechanical systems below.
