Fuel Type: Diesel

DETAILED INFORMATION

SPECIFICATION

General Information:

CHARLES JOURDAN, also known as NICORETTE, SKANDIA, ROYAL BLUE, is maybe the most successful sailing Maxi racer in Northern Europe and is continuing to perform at top class. CHARLES JOURDAN won the Round Gotland Race, latest in 2007 and 2005, overall winner of Gothenburg Offshore Race 2004, 2005 and 2006, two Fastnet Races, Great Lakes Race, Sydney Hobart Race etc.

Due to its size of 72 feet, CHARLES JOURDAN can offer you the opportunity to directly participate and experience extreme sailing and team building at its best.

CHARLES JOURDAN can offer day sailing of up to 12 people per sail (MCA Coding) and can be rented for racing in Northern Europe. Always up for a challenge.

The yacht was built as CHARLES JOURDAN, sailing for France in the in the 1990 years Whitbread around the world, being beaten by the legendary Sir Peter Blake and STEINLAGER II.

In 1995 the yacht was bought by Ludde Ingvall and totally rebuilt according to measurement rules. Nicorette sailed her around the world in one of the most successfully commercial campaigns in yachting history.

In 1999 new owners took over and the yacht has been kept in mint conditions since. The yacht was reinforced in hull and got a refitted keel in 2005. Sail wardrobe has been updated continuously. In 2011 the yacht got a total refit, keel and rudder out, xray of rig and delaminations fixed. The yacht got her white color back, new engine, new cables and navigation computers, rafts and safety.

Construction:

CHARLES JOURDAN has been measured according to several rules as SRS, IMS, ORC and latest IRC.

Hull, Deck & Superstructure Construction:

- Rebuilt in 1995, 2005 and 2011; the yacht grew a couple of extra feet in length.
- Both aft and bow were replaced to establish a longer waterline.
- In 2005 internal reinforcements were completed to keep the yacht stiff; everything was replaced with carbon fiber.
- Hull was repaired and painted white in 2011.
- The deck layout is one of the few things that remains original; robust and easy to maintain.

Keel & Rudder:

- Keel and rudder were updated in 2005 and are carbon fiber.
- 300kg of lead was added to the bulb, making it stiffer.
- Bolts were replaced and everything was checked in 2011.

Machinery:

Engine & Gearboxes:

- 1 x Volvo Penta D2 75 S 1x115 kW (156 HP) (2011).
