## Accommodations & Layout

---

JOAN'S ARK was purchased in 2010 by a very knowledgeable yachtsman, since he purchased the boat he has completely customized the interior, by changing out all soft goods, adding custom cabinetry with new marble, lighting, appliances, electronics, AV, removal of the salon bar, new flybridge seating, etc. not to mention mechanical. In 2014, a complete exterior paint job was done. JOAN'S ARK comfortably sleeps eight (8) owners and guests in four (4) luxurious staterooms. Crew accommodations are in two (2) staterooms aft with the Captain's cabin separate. JOAN'S ARK represents an opportunity to own the last of the old style Westport motor yachts with excellent performance, seaworthiness and low maintenance. This vessel has a large Salon and a formal dining area in the forward Salon. There are custom buffet cabinets with custom Lucite restraints for storage of formal dinnerware and crystal in addition to two drawers for silverware and serving utensils. Exiting the Salon to the Aft Deck you pass through large stainless steel, counter balanced double doors. The Aft Deck consists of a large U-shaped seating area with two large occasional chairs in all providing comfortable seating for up to eighteen people. The varnished wood table has flip up inserts on each side of the table allowing comfortable entrance and exit. Going forward from the Salon to the starboard passageway is the Day Head. Further forward is the large "Country Kitchen" style Galley. The Galley features a pull-out pantry, lazy Susans along with a full compliment of top end appliances. The Galley layout is very open and inviting with casual U-shaped seating forward. This is a popular area of the yacht due to the casual nature of the exhibition style Galley. The counters are all granite, thus complimenting "the look" of the Salon. Forward is the VIP Stateroom. This separate and private stateroom is complete with Queen size center-line bed, plenty of drawer space, ensuite bath and cedar-lined walk-in closet. Moving forward to port from the Salon is the stairway passage down to the full beam Master Stateroom with king size center-line bed, his and her bath with heads and vanities. Aft off the guest foyer are the two Guest Staterooms one with a Queen size bed and ensuite bath and the other with twin berths and ensuite bath. The Pilothouse is entered from both port and starboard sides forward of the Salon where guests can lounge on the bench seat with wood rimmed, marble table top and watch the sights. Up from the Pilothouse is the large Flybridge with three helm seats, large hot tub, gas grill at the bar with five bar stools. There is additional seating to starboard. Tender and jet ski's are located aft on the Flybridge. JOAN'S ARK comes complete with child gates for additional safety while on the Flybridge deck. JOAN'S ARK comfortably sleeps eight (8) owners and guests in four (4) luxurious staterooms. Crew accommodations are in two (2) staterooms aft with the Captain's cabin separate.
