SPECIFICATIONS

Overview

This AMAZING boat is custom built, one owner, and impeccably maintained! If you have never heard of Anna Capri International Boats they bought the old Stratus molds and were making custom boats in Miami up until a few years back. They are very comparable to the Donzi's and Fountains, and retailed new for over \$150,000. Here is your chance to own a like new off shore boat for a fraction of the price!

Always kept lifted out of the water, or in dry storage and regularly serviced. The painted black hull is sleek and shiney and has so much eye appeal, whether off shore or cruising to waterfront dining, it is certain to get noticed!

The motors are twin 250 Evinrude E-Tech's, with 4 blade stainless prop's and dual hydraulic steering with a tilt helm. The Port power head was replaced under warranty in 2010 and has about 75 hours on it, the starboard motor has approximately 200 hours on it. Both motors received all the updates, ECU, injectors in 2010. Lower units were just serviced this spring. Top speed is about 50 knots and she cruises about 36 knots. She has been 30 miles off and handles and rides very well in the open ocean. The large 300 gallon fuel capacity enables you to get to where the fish are and back without any worries. You will find ample storage areas not only under the console, but in the forward bow area as well.

The T-top was custom designed with a molded light in the center of it and electronics box. There are two (2) telescopic outriggers mounted to the t-top as well as front and rear spreader lights. Also included is custom canvas sides and front. Dual optima batteries with two (2) battery switches and an onboard battery charger. The electronics include a Lowrance, model LC X-18. combo GPS/bottom unit. Forward fish box with macerator, 10 gallon fresh water capacity, 10 gallon live well behind the leaning post, and salt water wash-down system. This boat is set up with trim tabs as well to deliver that perfect ride. All the cleats, rope guides and the forward navigation light are retractable. The gel coat is in excellent shape with very minimal wear. This boat is even equipped with two (2), blue, underwater LED lights on the transom for night fishing. Also featured are six (6) Rocket Launchers and a total of nine (9) flush mounted rod holders. Comes with all safety gear and an aluminum anchor with 200 feet of line. Boat hull was just professionally detailed in July of 2012. She is set up and ready to fish and cruise. This vessel has a clear Florida Title for a fast and easy closing.

Included at no additional charge in this package deal, is a 16K Triple Torsion Axle Extreme Marine Aluminum Trailer with brakes on one axle. Tires are in good shape.
