## Overview

**Manufacturer Provided Description** The Grady-White Sailfish 27 is a walk-around cabin that comes in two versions: the 272 outboard and the 274 diesel stern drive. Both feature a stern section with an integrated outboard mounting system with a transom door; a cabin with a forward V-berth; an enclosed head area with a shower; and a galley with storage, butane stove and fridge. The 272 has a generous 20-gallon overboard-draining raw water livewell, while the 274 has the 26-gallon version. Both Sailfish 27 models have 260-quart starboard insulated fish boxes, but the 272 has a 104-quart fish box as well. The 272 has hydraulic steering. Both versions have a comfortable aft bench seat, plus a swim platform and with a ladder. Sailfish options include an 18-foot Lee Jr. cabin.
