### Electronics

Raymarine E80 & 120 Chartplotter, 4KW Radar, ST6001 Auto Pilot, 125 WAAS GPS Antenna

Raymarine Navionics Chartchips, 3, Maine to Key West

Raymarine Cockpit Camera, (wired to E80 Flybridge Plotter)

Interphase SE200B Forward Looking Sonar

### Deck

Large deck surfaces forward with sun pad, large cockpit, and large flybridge provide ample space for fun outdoors. Wide side decks and bulwarks and a high bow rail with mid-rail wire make going forward easy and safe.

A transom door leads into the cockpit from the teak swim platform. Sliding doors from the salon to the cockpit and two sliding doors to the side decks bring the outside into the salon.

A stbd hull gate at the midships door facilitates docking and boarding. The second helm station on the flybridge is set with lots of seating, a sink with pressure water, insulated storage box, table, electronics, and a full bimini. A mast with tabernacle serves to lift and store the dinghy on the cockpit hardtop coach roof.

### Electrical

110vAC and 12vDC systems are powered by a custom distribution panel. 2 engine start batteries and house batteries are charged by a 40 amp charger and engine alternators.

4 Engine and Generator Batteries.

2 4-D House Batteries.

110 outlets are located in each cabin, salon, and galley.

Optional 11 KW Onan Generator (97 hours)

Two 30 Amp Dockside Power Lines.

## Accommodations

Two staterooms below and a convertible settee in the pilothouse combine to sleep six. The owner's stateroom has a walk around center island berth with custom bedding and a Tempurpedic mattress. Ample storage is provided with plenty of drawers and lockers. A hatch over the berth and opening portlights in the hull sides provide excellent ventilation. There is a private access to the owner's en suite head vanity. Just aft, the stall shower includes a second vanity sink. The double berth guest cabin includes custom bedding and is located to stbd. Up a couple of stairs, the pilothouse is bright and airy and features a large settee and table to starboard with the up-galley opposite. The lower helm is to starboard with a double bench seat and sliding doors to port and stbd provide easy access to the side decks. This is the ideal layout for a couple cruising and for entertaining. The interior is warm and inviting with Cherry stained Alpi wood cabinetry and teak floors. Opening windows and doors provide ample light and 360 degree visibility from the lower helm.
