Vessel Walkthrough

Boarding vessel from the stern, there is a teak covered swim platform with electrohydraulic swim ladder. Access to crew is through a hatch in transom. Shore power, tdeckshower, tv, and phone hookups are located at stairs, as well as retractable passerelle. Stepping up to cockpit through stainless gate, there is an upholstered bench seat aft with a teak dining table in front. Deck boxes are located port and stbd with storage and cleats above. Courtesy lighting, stereo speakers, and deck hatch to engine room are located in cockpit. There are boarding gates located on both sides. Decks are teak. Moving forward there are black mesh covers over side and forward windows. An electric window is located on port side, and a watertight door is located on stbd. A sunpad is located on foredeck with an opening hatch. Anchor locker, windlass, anchor and chute and stainless cleats are located at bow. Moving up the ladder in cockpit, there is an opening to access flybridge. Decks are white nonskid. Hydraulic davit, tender, and liferaft are aft. Forward of davit is an upholstered dinette with fiberglass table and large sunpad just forward. A fiberglass arch is overhead with nav lights, radar, sat dome, antennas, and adjustable spotlight. Forward to port is the upper helm station with nav electronics, thruster and engine controls. To stbd. is a hatch leading to salon area. A stainless framed plexiglass windshield is at forward end of fly.

Moving through the stainless framed sliding glass door into the main salon. There is an upholstered c shaped couch to port with a coffee table, and a smaller one to stbd. with a flatscreen tv on a lift behind. Interior cabinetry is high gloss cherry, and carpet is beige with decorative throw rugs. Curtains and blinds are located at side and aft windows. Stepping up two steps there is a ladder to fly to stbd. with the galley just forward. Opposite the galley to port is an upholstered dinette with removable leaf in table. Just forward again is the lower helm station with leather upholstered chair, nav electronics and engine controls. opposite to stbd. are the stairs leading to guest cabins. Carpet is beige with decorative throw rugs. Moving down to guest area, Forward is the VIP with queen berth, ensuite head to stbd. and hanging locker, tv and vanity to port. Moving aft to stbd. is a guest cabin with opposed berths and ensuite head, and to port is a guest cabin with twin berths, hanging locker, and ensuite head. All the way aft is the master cabin with queen berth, dinette and hanging locker to port, vanity to stbd. and ensuite head with double sinks and tub behind berth.
