VESSEL WALKTHROUGH

Vessel can be boarded from opening gates in the lifelines - Port and Starbd - or from the over-sized built in swim platform in the sugar scoop transom. Her spacious cockpit allows for comfortable movement and access to the interior.

Upon descending the companionway stairs, the Galley is to Starbd, and forward facing Nav Station, with comfortable seat, is to Port. There is access to the over-sized Head next to the Nav Station, on Port side, and also very convenient to the companionway. Head has a separate shower stall with inside door.

Forward of the Galley - on Starbd side - is a large U-shaped Dinette that converts to a double berth - Opposite on Port side is a full length Settee that converts to a single berth

The Salon has excellent traffic flow, and loads of storage space - Below the seats, in side cabinets and in bookshelves. Forward of the Salon is a Private stateroom with queen sized V-berth and a good deal of storage space.

Aft of the Galley, on Starbd side, is a second private cabin with standing headroom and loads of

storage space.

SALON - GALLEY - DINING

SALON:

Salon is open and spacious with Full Dinette to Starbd w/ folding table - Table sides can be folded down for more space - one side opened in curved seating area to serve 6 people or second side opened to serve addition guests on Settee on Port side. There are several opening port and an opening overhead hatch for light and ventilation. There is also continuous ventilation through dorade vents.

A full Nav station is on the Port side, opposite the Galley with forward facing seat, chart table, and additional storage - There is adequate room for the electronics. plus 3 drawes and tube chart storage.

E- Mainsail foot 14' 3"

Bridge Clearance 55 ft

MANUFACTURER COMMENTS

" We have enjoyed great success in this size during Tartan's history, starting with the original Hood designed T-37 through the most recent Tartan 372. Design innovation while maintaining a healthy respect for traditional aesthetics has been paramount. The Tartan 3800 continues this leadership.

Tartan 3800 Hull, keel, rudder and rig have been honed through experience to provide unmatched handling under both power and sail. Wholesome proportions produce an easily handled, agile performer. Equally important, she possesses pleasing lines, surely to be envied in any harbor.

Interior appointments feature Tartan trademark teak joinery as evidenced by the extensive teak louvered door cabinetry, dovetail drawers and beautifully varnished drop leaf main cabin table. The knowledgeable sailor and experienced buyer will recognize the skill and abilities of our craftsman.

In producing a yacht of this stature, care must be taken in the selection of her hardware, fittings, and components. Only the best will be found on the Tartan 3800; Harkin deck fittings, blocks, travelers, winches, Lewmar hatches, Offshore spars, mast and booms, Edson steering system, custom SS from Tops-in-W\Quality, Cook NPG ISO Thalic gelcoats, Interplastic vinyl ester resin and Baltek balsa coring to name a few. They all come together to enhance Tartan 3800's performance, value, durability.

Tartan, again the industry pioneer in producing yachts of uncompromising pedigree.

Exclusions

Owner's personal belongings.
