SPECIFICATIONS

Overview

This 65-foot Squadron appears to go one step further than similar sized boats on every level.

Sumptuous furnishings and hand-worked cabinetry are hallmarks of the Squadron range. Nowhere is it more elegantly expressed than in the long, wide single-level interior - a testament to the 65's ingenious flat floor design. Having such uncomplicated, single floor levels is normally reserved for much larger yachts, but our designers have achieved just that on this 65-footer. An elegant, beautifully proportioned Squadron awaits you. This is the ONLY Squadron 65 equipped with Seakeeper Gyro! Many extras!
